

KONČAR - Institute within the IECEE CB Scheme

CB Scheme:

- » international system for mutual acceptance of test reports and certificates
- » reduced delays and costs of multiple testing
- » enables easier access to the international market with one certificate
- » speeds up the process of product launch and market expansion

KONČAR - Institute is recognized NCB with its laboratory testing for following categories:

Household and
similar equipment
(HOUS)

Lighting
(LITE)

Measurement, Control
and Laboratory
equipment (MEAS)

IT and office
equipment
(OFF)

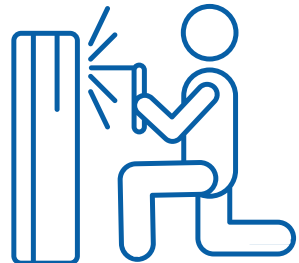

Easier and faster access to the international market with your reliable partner

Launch your products to the international market faster and easier with our help:

- » as CBTL and NCB we issue CB Test Report and corresponding CB Certificate
- » a single testing and certification process = faster time-to-market
- » services based on the competencies of experts, quality, and speed

CB Scheme Certification Procedures

Applicant submitting a CB Test Certificate can be:

- » Foreign manufacturer directly or via representative resident in the country
- » Commercial agent
